CAREER OBJECTIVE

Electronics and Computer Engineering undergraduate with a strong foundation in software development, web technologies, and core engineering subjects. Seeking an internship or entry-level opportunity where I can gain industry exposure, and contribute effectively to innovative technology solutions.

EDUCATION

B.Tech, Electronics and Computer Engineering

Shah & Anchor Kutchhi Engineering College

2023 - 2027

TRAININGS / CERTIFICATIONS

Web Development

Jul 2025 - Present

Internshala, Virtual

Python

Apr 2025 - Present

Internshala, Virtual

PROJECTS

Authentication & User Management System

Dec 2025 - Present

Authentication & User Management System

- Built a secure authentication system with user registration, login, and role-based access
- Implemented form validation, session handling, and protected routes

Twitter Listening Workflow (Automation Project)

Dec 2025 - Present

- Designed a no-API workflow using automation tools to monitor Twitter keywords
- Filtered relevant content and forwarded structured alerts to Discord
- Focused on real-time data handling and practical automation logic

SKILLS

- | | | |
|-----------------|-------------------|-----------------------|
| • Python | • HTML | • Java |
| • CSS | • C++ Programming | • Engineering Drawing |
| • C Programming | • AutoCAD | |

EXTRA CURRICULAR ACTIVITIES

- Actively involved in self-learning and upskilling through online platforms
- Regularly build and refine technical and design projects for portfolio development
- Participated in college technical activities and peer learning discussions
